- **FTT Label Fees** are payable in January every year. A pro-rata fee will be invoiced should a client become certified during the calendar year.
- **Audit Fees** are payable to FTT every three years on behalf of Flo-Cert, prior to the onsite audit. As Flo-Cert's Audit Fees are Euro denominated, FTT reserves the right to adjust these fees should the Euro / Rand exchange rate fluctuate beyond 10%.
- Audit fees are exclusive of travel costs, which are invoiced separately by Flo-Cert.
- Group certifications or multi-product certifications will require a customised quote based on number of days needed to audit the client.
- Fees will be subject to annual review.
